Invitation

Dear CORLAS members
Dear friends and colleagues

The Swiss group invites you to Bern, the capital city of Switzerland, where the CORLAS meeting 2019 will take place between August 25 and August 28. The meeting is an ideal occasion to meet colleagues and friends from all over the world, to exchange new ideas and to present your latest findings to an interested and knowledgeable audience. Besides the scientific part of the meeting, networking will be facilitated with memorable social events.

For a capital, Bern is a relatively small city, but it is situated beautifully at the Aare river and in full sight of the Alps, which are less than an hour's drive away. Visit www.bern.com/en/ for a first glimpse of what the city has to offer!

The venue has been chosen carefully for this event. At the Kursaal Bern www.kursaal-bern.ch, an event of high quality is guaranteed, while maintaining a spectacular view over the city and the nearby Alps. A Hotel is integrated into the conference center. The city center is within walking distance, as are a number of additional hotels in offering different price ranges.

The website is up and running, visit www.corlas2019.org or mail us at info@corlas2019.org for further information.

As the local organizers, we look forward to welcoming you to the 2019 CORLAS meeting!

The Collegium

CORLAS (Collegium Oto-Rhino-Laryngologicum Amicitiae Sacrum) was founded in 1926, in Groningen (the Netherlands) at the initiative of Charles Emile Benjamins and Adriaan De Kleyn. The principal objective of the Collegium is to create a forum for the discussion of scientific problems related to the whole field of otorhinolaryngology, head and neck surgery. These discussions should serve to create a spirit of friendship among members.
